STOP PRESS!

After many months of filling in application forms and sending various letters, we are very pleased to announce that the club has been awarded £10,000 for our Community Travel project from the big lottery fund.

We are now in a position to purchase a people carrier which will be used for our children using breakfast and after school club, but will also be made available for use during the day should our schools require it.

We are sure you will all agree this will be a great asset to our club and will promote our presence within the community.

Hopefully you will see our new vehicle up and running by the end of June. We will be holding a press conference nearer the time to promote our big achievement and any parents who would like to be included in this event are more than welcome.

In other news

We will be holding our annual netball challenge on Friday 22nd June with kind permission again from Mrs Livingstone to use the school playground. This will be held after school from 4 p.m. Information letters will be sent out very shortly so that hopefully you can start getting your teams together again for this year's challenge. For the second year running the current holders of the adult trophy are Jo's Juggernauts and the children's trophy are year 7s Hartismere team (who this year will be joining the adults team).

We are in the process of finalising a camping weekend to be held with the friends of the school. This will be held on the school playground and field on Saturday 14th July. More details of this exciting event will follow after half term.

Summer holiday club

A few weeks ago we sent out a flyer to gain response from parents to running a holiday club. Early indications show that you are in support of this and so to this end we have decided to run the club from Monday August 13th through to Friday August 24th. If you require a place for your child either on a full day basis or half a day, please let us know at your earliest convenience. An enrolment form will need to be completed along with a non refundable deposit of £10 per day depending on what days your child will be attending. Please look out for posters around the school after half term containing more information about the event.

Warmer weather

Hopefully the warmer weather will be with us soon so that we can start taking your children out for the after school club sessions. Can we remind all parents that their children should have water bottles, sun hats and sun cream when the weather warms up?

Fees

You will notice from your invoices that our fees have increased and we would appreciate early receipt of payment. Thank you.

New Staff

Hopefully you all will have met our 2 new staff members Debbie and Chrisy. The children have made them very welcome and we hope they will enjoy working for the club.

Snack

Now that the weather is warming up (!!) we won't be offering a hot snack at the club. We will be doing salads, sandwiches, wraps and the usual fruit and veg. Drinks will always be available for the children throughout the sessions.

Informing the club

It is imperative that all parents inform the club when their child will not be attending. Our payment policy is that you will be charged for your children's place unless you give us 7 days notice of any change. This is due mainly to our staffing ratios. Obviously if your child has been sent home sick, payment will be adjusted at the discretion of the club.

Security

This is an ongoing entry on our newsletter, but one mainly for new parents. We must insist for safe guarding our children within the club that only members of staff let parents in or out when coming to the club. We have had a number of incidences when the door has been opened by a parent and then unlocked. Please knock on the kitchen door if you are about to leave or ask a member of staff to let you out. Thank you.
